

BBLD's rating lowered to "idBBB+"

PEFINDO has lowered the ratings of PT Buana Finance Tbk (BBLD) and its outstanding Medium Term Notes II/2015 to "idBBB+" from "idA-". The outlook for the corporate credit rating is "stable". The downgrade is mainly driven by ongoing pressure in BBLD's leasing business resulting in declining business position in financing industry due to lower new booking since FY2014. The ratings reflect BBLD's strong capitalization and adequate liquidity profiles. However, the ratings are constrained by its ongoing pressure in leasing business, weak asset quality profile and lack of affiliation amid tight competition.

BBLD's MTN II/2015 Series A of IDR150 billion will mature on April 18, 2016. The Company's readiness to repay its maturing MTN is supported by the collections from its financing receivables of IDR220 billion per month.

The Company was established on June 7, 1982, as PT BBL Dharmala Leasing. BBLD is a finance company focused on leasing. It also provides financing for new and used cars. As of December 31, 2015, the Company's shares were 67.6% owned by PT Sari Dasa Karsa and the remaining 32.4% shares were owned by public.

Rating Period: March 2, 2016 – March 1, 2017
Rating Period MTN II/2015 Series A: March 2, 2016 – April 18, 2016
