

PEFINDO CREDIT RATING INDONESIA

PRESS RELEASE
October 04, 2005

Astra Graphia Tbk.

PEFINDO reaffirmed “**idA-**” ratings for PT Astra Graphia Tbk. (ASGR or the Company) and its Bond I/2003 of IDR150 billion. The ratings reflect the Company’s strong presence in photocopier business, conservative financial leverage as well as favorable cash flow protection and liquidity. However, the ratings are mitigated by high dependency on Fuji Xerox products and tightening payment. ASGR is a public company and engaged in document solution and information technology (IT) solution services. The Company’s current shareholders are PT Astra International (76.87%) and public (23.13%). The Company holds 49% of shares ownership in PT SCS Astragraphia Technologies (SAT), a joint venture company with Singapore Computer System Limited (SCS), that was established last year to handle the IT solution business activity.

Rating Period: September 28, 2005 – September 1, 2006
