

PEFINDO CREDIT RATING INDONESIA

# PRESS RELEASE

## May 8, 2014

### “<sub>id</sub>A” rating assigned to PT Express Transindo Utama Tbk’s proposed bond

PEFINDO has assigned its “<sub>id</sub>A” ratings to PT Express Transindo Utama Tbk (TAXI) and its proposed Bond I/2014 amounting to a maximum of IDR1 trillion. The outlook for the corporate rating is “**stable**”. The ratings reflect TAXI’s steady revenue stream through a partnership-based business model that allows it to enjoy relatively high and stable profitability margins, strong market position in the taxi industry, and favorable fleet profile. However, the ratings are constrained by its more aggressive financial leverage in the near term, the risks associated with entering a new area, and the potential for tighter competition.

Established in 1989, TAXI is one of the leading taxi operators in Indonesia, operating primarily in Greater Jakarta. With a fleet of more than 10,000 in 2013, the Company’s services include regular taxis as its core business, premium taxis (Tiara Express), and value-added transportation businesses (VATB). As of December 31, 2013, it was owned by PT Rajawali Corpora (51%) and the public (49%).

Rating Period: March 18, 2014 – March 1, 2015
