Ratings of PT Pembangunan Perumahan (Persero) Tbk and its Bonds and MTN are affirmed at “idA”

PEFINDO has affirmed the ratings for PT Pembangunan Perumahan (Persero) Tbk (PTPP or the Company), its Shelf Registered Bond I PP 2013 and PP 2015 and Medium Term Note (MTN) XXI/2014 at “idA”. The outlook for the corporate rating is “stable”. The ratings reflect its strong presence in the national construction business, stable business opportunities from government-related projects, and above average capital structure and cash flow protection. However, the ratings are constrained by a relatively volatile business environment, and risks from expansion into new businesses.

Established in 1953, PTPP is one of the largest construction companies in Indonesia, and is currently expanding into property, realty and the precast business, as well as in heavy equipment rental and infrastructure investment. As of September 30, 2015, its shareholders were the Indonesian government (51.0%), the Employees Cooperative (Kopkar) with 6.2%, and the public (42.8%).
